Series: Genesis, Grace & Glory

1. God is Eternal (Reference Scriptures: Exodus 3:13-14)

- The starting point for all physical matter is God.
- **The name Elohim speaks of God being an all-powerful and eternal Creator.**
- Only One who is eternal could create something, “at the beginning.”
- The phrase, “I Am” conveyed the eternality of God.

2. God is Omnipotent (Reference Scriptures: Hebrews 11:3; Psalm 33:6; Psalm 147:4; Psalm 19:1)

- **The Eternal God is also an Omnipotent Creator.**
- God created the heavens and the earth, out of nothing.
- **What your mind can't fathom, your faith has to handle.**
- **An Omnipotent and Eternal God created the universe.**
- Astronomers believe that there are 3,000,000,000,000,000,000,000 stars in the universe. God knows them all by name!!

3. God is a God of Order

- When God created the earth, He created it as an empty wasteland, except for water.
- **Since God has all power, He doesn't have to rush.**
- The Spirit of God was brooding over the waters, organizing it in some fashion, to prepare it for life.
